International AIDS Candlelight Memorial 2013

From: www.candlelightmemorial.org

"The International AIDS Candlelight Memorial, coordinated by the Global Network of People living with HIV is one of the world's oldest and largest grassroots mobilization campaigns for HIV awareness in the world. Started in 1983, the International AIDS Candlelight Memorial takes place every third Sunday in May and is led by a coalition of some 1,200 community organizations in 115 countries.

The International AIDS Candlelight Memorial is much more than just a memorial. The International AIDS Candlelight Memorial serves as a community mobilization campaign to raise social consciousness about HIV and AIDS. With 33 million people living with HIV today, the International AIDS Candlelight Memorial serves as an important intervention for global solidarity, breaking down barriers of stigma and discrimination, and giving hope to new generations."

We are fortunate enough to be the Owensboro site for this memorial for the second year in a row.

SUNDAY, 19 MAY, Theme: In Solidarity

FELLOWSHIP will begin at 7pm.

SERVICE will begin at 7:30pm.

Please invite friends and allies to Stand In Solidarity with neighbors living with HIV and pray for the day that people no longer die of AIDS.
