## FOCUS ON CHARITY

UU's are known for their commitment to Justice. We are active in many causes and aware that systemic change requires us to stay active for the long haul. However, people also have serious needs in the short term that can only be addressed by Charity. Unfortunately, we don't have the funds to offer emergency assistance to our neighbors. So several years ago, we decided to contribute as a Congregation to the immediate relief of distressed Owensboro residents through a monthly charity collection.

The goals are really simple:

- Help others out
- Partner with other charities that serve immediate needs and focus our attention and energy on their work
- Meet a niche need with items that can be bought for \$1-2 a piece (so that all of our members participate)
- Collect items and deliver them in the Congregation's name to the partner

This season, the Congregational Life Committee has also been featuring our charities at our Coffeeshouses.

It may seem simplistic, but it works out that if all of us contribute an item or two a month, we make a dent in that month's need somewhere in our city. Please continue to help us help others.

**THIS MONTH'S CHARITY:**  
**ST. JOSEPH'S PEACE MISSION FOR CHILDREN**  
Healthy Snacks, Cleaning Supplies, Laundry Detergent

**PLEASE NOTE:**  
**CAREGIVER'S LUNCH IS MOVED**  
**TO THE 1ST THURSDAY @ 12 N**  
**PLEASE RSVP BY 12 N ON WED, 6 NOV**

REV. PAUL H. BICKNELL:  
There are some heights to which  
we have not risen,  
and never will;  
there are some depths to which  
we have not fallen,  
and never will, we pray.  
Somewhere between there are places  
where we can reach up and reach out  
for the strength we need for our journey.  
This is such a place.  
Thus we pause for refreshment;  
thus we worship in thanksgiving.
