OUR COVENANT

We come together in fellowship and love open to each other's beliefs.
As a congregation, we create a place for open dialogue, search for truth, meaning, spiritual growth, and justice.
To these ends we commit to each other and to the larger community our selves and our talents.
UUCO Founders, 1987

WE LIVE IN AN INTERFAITH WORLD

The **Spiritual Mentoring Institute** is for organizational leaders ready to move from a simple stance of, "Live-and-let-live," to a more informed and compassionate, "How can we help each other live well?" in our complex faith world.

The **Spiritual Mentoring Institute** is an introduction to tools, skills, and information that will help you personally and institutionally be a better interfaith neighbor and friend.

The **Spiritual Mentoring Institute** is based on the curriculum, *Theology as a Second Language*, which was designed and piloted at the Unitarian Universalist Congregation of Owensboro. Through a grant from the Louisville Institute, the curriculum has been revised and expanded for wider use. This week-long Institute introduces you to the format, skills, and materials to help you offer the curriculum in your community.

MT. ST. JOSEPH CONFERENCE & RETREAT CENTER is located 12 miles west of Owensboro, KY, on Hwy 56. The nearest airport is approximately 1 hour away in Evansville, IN. The rural setting offers plenty of quiet walking space.
