

11th Annual MLK Commemorative Coffeehouse- Sat, 17 Jan @ 7:00pm

We celebrate this great man with solemnity and hilarity, song and skit.

Satire by the Charlot Martin Players keeps us in stitches, while the talented musicians among us bring both smiles and a few tears. Altogether, a wonderful evening of remembrance and fellowship.

Sabbatical Part 2 Begins 19 Jan

Claudia will begin the second half of her Sabbatical this month. We will have a series of guest speakers and member reflections till she returns 29 March.

Thank you for all your work Claudia, and enjoy the time to focus deeply on your studies.

On Andy’s Passing

Thank you, all, for your assistance with Andy’s visitation, funeral, and bereavement meal. I am glad that we were able to be supportive to his nieces, friends, and neighbors—as well as each other.

Andy has been a vital member since our beginning and his loss will be keenly felt. Please continue to check on each other in the coming months. Especially as I am out of pocket for another 2 months, it will be important to be deliberate in checking on each other. . . .

INTERFAITH MOMENT

World Religion Day was initiated in 1950 by the National Spiritual Assembly of the Baha'is of the United States. The Assembly's purpose was to call attention to the harmony of spiritual principles and the oneness of the world's religions and to emphasize that religion is the motivating force for world unity.

As stated in Baha'i scripture: "religion should be the cause of love and agreement, a bond to unify all mankind for it is a message of peace and goodwill to man from God," and "Religion is the greatest of all means for the establishment of order in the world and for the peaceful contentment of all that dwell therein."

It is observed the third Sunday in January (18 Jan 2015) by Baha'is in the United States and increasingly by people around the globe,

with interfaith discussions, conferences and other events that foster understanding and communication among the followers of all religions.

Following is a portion of a Baha'i prayer that is frequently read on World Religion Day:

O Thou kind Lord! Unite all.
Let the religions agree and make the nations one,
so that they may see each other as one family
and the whole earth as one home.
May they all live together in perfect harmony.
