## A SPECIAL WORD ABOUT OUR CONCERT

Friends,

We are very excited to have a Celebration Concert this year!

Owensboro favorite, **Maestro Soler** will be appearing at Woodlawn UMC on Friday, 9 Nov @ 6:30 pm. This is the only event with an admission charge. The reason there is a charge for this is very simple: *We are paying the artist.* He has been very generous in agreeing to a ticket price of \$10 in advance or at the door. A separate poster with details and biographical information is included.

If you have someone in financial need that wants to attend, please contact Rev. Randy Jones about the circumstances. We have very limited resources to negotiate a special ticket—but we want to do that if at all possible. Likewise, if you have someone that would like to donate a ticket or two, that would expand our ability to include our less affluent neighbors. Reservations should be made through the church office @ 270-683-9868 and checks should be made out to Woodlawn UMC. We want to make the concert as accessible as possible and with your help that will happen.

I've already bought my tickets (and a couple of gifts) and I hope to see you there,  
Claudia
