

KEYNOTE PRESENTATION:

SR. MARY MARGARET FUNK, OSB
DIALOGUE: HAVING A VIEW, VOICE,
AND VOCATION

Saturday, 20 Nov, @ 10 am on Zoom

Sr. Meg is an author, spiritual director, educator, and most importantly a Benedictine nun at Our Lady of Grace Monastery in Beech Grove, IN. She has engaged in interfaith dialog on every level—international and local forums with Buddhist, Confucian, Hindu, Muslim, and Taoist practitioners, serving as Executive Director of Monastic Interreligious Dialogue, presenting at the World Parliament of Religions (1993) and more. This presentation will offer a vision for practice and encouragement in developing our skills.

As with everything, Faith Fest has had to adapt again this year. Although some faith homes are open, some with smaller spaces can't accommodate their own pray-ers and Faith Fest guests. Communities have been generous and creative because it's still important to learn new things, meet new people, and see new places, so this year is a hybrid. **It's always good to be together!**

Some places request only vaccinated people attend in person and others to attend by Zoom. Please honor this request. If you attend an in-person event, **please wear your mask and keep proper, physical distances.** Thank you for your respect!
