

7 October 2025

Dear Religious Educator,

Peace and All Good!

Faith Fest Owensboro 2025 will begin on Friday, 7 November and run through the Interfaith Thanksgiving Service on Sunday, 23 November. This is our fifteenth year and it is an exciting opportunity to get to know about the world's enduring religions right here at home!

Many faith homes are opening their doors to visitors—and they all welcome questions about their Traditions. Please invite your students and their families to visit as many as possible and ask their questions.

This year we have several new events—and 19 organizations involved. We are especially excited to have three Collaborative Events: 1) A dialog about Peace featuring Dr. Aseedu Kalik of the Islamic Center and Fr. Larry Hostetter of St. Pius X Church on Friday, 7 Nov @ 1:30 pm @ the Islamic Center of Owensboro. 2) An interactive Health Expo offered by all three Seventh-Day Adventist Churches in Owensboro on Sunday, 16 Nov from 2-5 pm. 3) A musical program of “The Hymns We Share,” featuring the multi-talented music ministries of The Church of Jesus Christ of Latter Day Saints and St. Stephen Cathedral on Thursday, 20 Nov @ 6:30 pm @ St. Stephen Cathedral. It's inspiring to see communities and leaders working together to help the wider community understand the importance of their faiths! I hope you'll bring your students to see collaboration in action.

Full details are on the printed brochure and online. An electronic edition of the organizational packet has is available to you online. That includes a single-sided edition of the brochure and a grid flier characterizing events as Prayer, Informational, and Fellowship. All of these materials are always available at www.FaithFest.org A rolling calendar of events is also available on www.OwensboroInterfaithCenter.org

Please call me if I can help facilitate your participation in any way,
Claudia
