non-perishable
food items
as an offering
for the HELP
Office

The problems we face today,
violent conflicts, destruction of nature,
poverty, hunger and so on,
are human-created problems
which can be resolved through
human effort, understanding and
the development of
a sense of brotherhood and sisterhood.

We need to cultivate
a universal responsibility
for one another and the planet we share.

HIS HOLINESS
THE 14TH DALAI LAMA
Nobel Peace Prize Acceptance Speech
